

Histories and Stories of Ways of Life in Canada

This word search explores key people, roles, and institutions that shaped Canada's past. You will find words connected to exploration, settlement, and governance in early Canada, including explorers who mapped new territories, governors who led colonies, immigrants and loyalists who built communities, voyageurs who traded furs across vast distances, and the parliament that eventually united the colonies ([Details](#), [Outcome](#), [Outcome](#), [Details](#)). Understanding these words helps you see how different groups of people worked together and sometimes disagreed as Canada took shape.

How to play

- Find each word in the grid by reading left to right, top to bottom, or diagonally. Words may run backwards.
- Circle or highlight each word as you find it.
- Check off words from the list as you complete them.
