

Text Comprehension Strategy Maze

Comprehending texts requires applying varied strategies and processes to interpret meaning ([Topic](#), [Topic](#)). At Grade 12, you deepen your interpretations by synthesizing ideas, analyzing context clues, making connections across texts, and evaluating how perspectives shape understanding ([Outcome](#), [Details](#)). This maze challenges you to navigate a path by identifying which comprehension strategies, predicting, inferring, making connections, summarizing, and synthesizing, best support your understanding of increasingly complex texts.

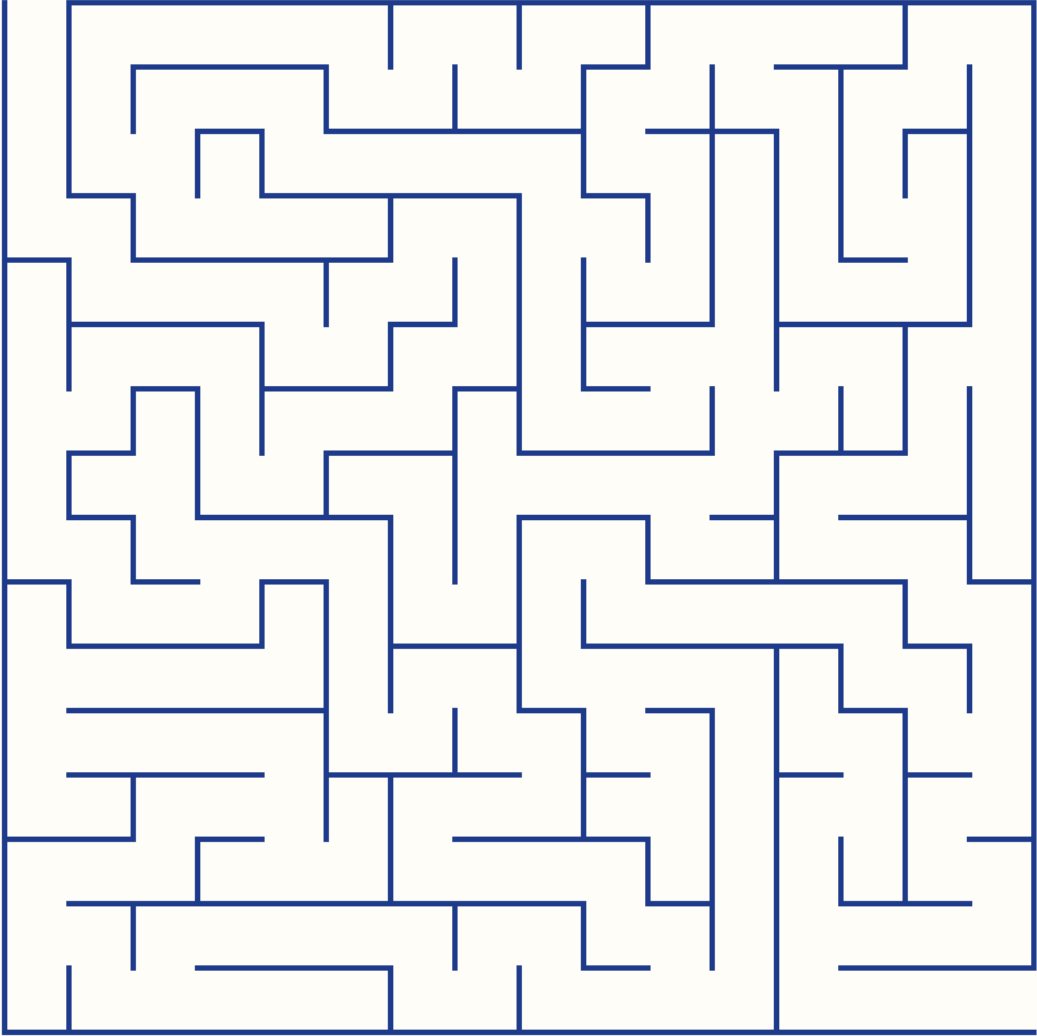

How to play

- Start at the marked entrance and draw one path through the open corridors to the marked exit.
- Never cross a wall. If you reach a dead end, go back and try another way.
- The shortest path passes through 89 cells. The answer key shows it in colour.
