

Nationalism Crossword

This puzzle reviews key vocabulary from Related Issue 1 and Related Issue 2 of Social Studies 20-1, the unit exploring to what extent nation should be the foundation of identity and to what extent national interest should be pursued ([Topic](#), [Topic](#)). Students will encounter terms tied to how peoples build identity through nationalism ([Outcome](#)), how understandings of nation and nationalism have evolved along civic, ethnic, and political lines ([Outcome](#), [Outcome](#)), how nationalism must sometimes be reconciled with competing loyalties ([Outcome](#)), how nationalism appears through a range of expressions including patriotic sentiment ([Outcome](#)), and how nationalism and ultranationalism have driven historical conflict ([Outcome](#)). Complete the grid below using the clues provided.

How to play

Fill in the grid using the numbered clues below. Each clue corresponds to a numbered square, and the number indicates whether the word reads across or down. Write one letter per square. All answers relate to vocabulary and concepts from the Related Issue 1 and Related Issue 2 units on nationalism. Check your spelling carefully: several terms share similar roots but have distinct meanings in this unit.

Puzzle grid
