

Addition and Subtraction Hangman

Get ready to solve, count, and compare! This game helps you practise addition and subtraction. Students apply strategies for addition and subtraction within 1000 ([Outcome](#)). Good number facts help you add and subtract fast ([Details](#)). This game builds those same skills with smaller numbers, within 100.

How to play

Look at the blank letters. Each blank stands for one letter in a word.

Read the clue. It gives you a hint about the word.

Guess one letter at a time.

If the letter is in the word, we fill in the blank.

If the letter is not in the word, you get one wrong guess.

You get six wrong guesses per word. Use them wisely!

Try to guess the whole word before you run out of guesses.

Puzzles
