

Addition and Subtraction Word Search

Grab your addends and get ready to hunt! This puzzle uses words from adding and subtracting within 100 ([Outcome](#)). Students work on facts to 10, sums to 100, and subtraction with a minuend up to 100 ([Details](#)). Look for words like SUM, ADDEND, DOUBLES, and VERIFY, all part of how we compose and check answers in math ([Details](#)).

How to play

- Find each word from the word list hidden in the grid.
- Words can go across, down, or diagonally.
- Circle or highlight each word when you find it.

Words to find

- ADDEND
- COMPOSE
- DOUBLES
- INVERSE
- MINUEND
- SUM
- VERIFY
